MEMORANDUM FOR: Executive Director  
FROM: Director of Central Intelligence  
SUBJECT: Suggestions for HIC Continuity

I am sympathetic with the suggestion in this memorandum which views Historical Intelligence Collection as an asset which I wouldn't want to see broken up. I would like suggestions as to who might be available to take it over. We might at the same time review the program of other cultural assets around here, the Studies in Intelligence the Historian shop, etc., and also think a little about the value of what they are doing, what we are getting out of them, and how they fit together.

A handwritten signature in cursive script, appearing to be "W. J. Casey".

William J. Casey
